

NUTILIS POWDER

A food and fluid thickener with amylase-resistant features for the dietary management of dysphagia.

FEATURES

- **Amylase-resistant formulation:** maintains a consistent texture of the food or drink, to which it has been added, during consumption.
- **Can be mixed in both hot and cold foods and fluids:** for patient convenience and choice.

Indications

For the dietary management of patients with swallowing difficulties (dysphagia).

Important Notice

- Not suitable as a sole source of nutrition.
- Not for parenteral use.
- Not suitable for children under 3 years of age.
- Only suitable as a food and fluid thickener.

Directions for Use

- Handle aseptically to ensure product remains sterile.
- Add the prescribed amount of Nutilis to liquid or pureed meals. Use only scoop provided in the packaging to ensure serving consistency.
- Use a fork, whisk or shaker to mix vigorously for approximately 20-30 seconds until all the powder is dissolved.
- Stir gently for 1-2 minutes. Leave to stand 5 minutes to achieve the desired consistency.
- Do not add additional Nutilis or stir during standing time.
- Prepare the food per serving and use within 2 hours.
- Discard unused prepared portions after 2 hours.
- Usage to be determined by a healthcare professional.
- For additional information on product usage, please request a copy of **Nutricia's IDDSI Position Statement** from the Nutricia Careline 1800 438 500.

Storage

- Store in a cool, dry place.
- Once opened, use contents within 8 weeks.
- Discard unused contents after 8 weeks.
- Replace lid firmly after use.
- Do not refrigerate.

Ordering Information

To order contact Nutricia Customer Care **1800 889 480**.
