

NUTRISON ADVANCED PEPTISORB

A nutritionally complete, semi-elemental, short-chain peptide based, ready-to-use enteral tube feed.

FEATURES

- Suitable as a sole source of nutrition[^]
- 85% short-chain peptides from hydrolysed whey protein and 15% from free amino acids: to optimise protein absorption in patients with impaired GI function.¹
- 49% of fat content from medium-chain triglycerides (MCT): to optimise fat absorption and digestion in patients with impaired lipid metabolism.^{2,3}
- **Fibre-free:** for patients requiring residue-restricted diets.
- **Enriched with carotenoids:** in line with general health recommendations for their antioxidant properties and positive effect on immune function.⁴
- **1000ml ready-to-hang pack and 500ml plastic bottle formats:** provides flexibility for different feeding methods e.g. closed-system pump delivery, syringe bolus

Indications

For use in the dietary management of:

- Disease related malnutrition with severe impairment of digestion and/or absorption.
- Patients with a partially functional gastrointestinal tract or impaired gastrointestinal tolerance due to disease e.g. short bowel syndrome, intractable malabsorption, inflammatory bowel disease or bowel fistulae.

Important Notice

- Not for parenteral use.
- Not suitable for patients with galactosaemia.
- Not suitable for patients with cow's milk protein allergy.
- Not suitable for infants under 1 year of age.
- Use with caution in children aged 1-6 years of age.

Directions for Use

- Shake well before use.
- Use at room temperature.
- Handle aseptically to ensure product remains sterile.
- Usage to be determined by a healthcare professional

Storage

- Store in a cool, dry place.
- Once opened, store in the refrigerator.
- Discard unused content after 24 hours.

Ordering Information

Nutrison Advanced Peptisorb	Product code	Units per carton
500ml plastic bottle	78865	12
1000ml pack	41052	8

Ingredients

Nutrison Advanced Peptisorb: demineralised water, maltodextrin, whey protein hydrolysate (from cow's **milk**), starch (corn), acidity regulator (citric acid), vegetable oils (**soybean** oil, MCT oil [coconut and palm oil]), potassium citrate, sodium citrate, calcium hydrogen phosphate, magnesium chloride, potassium di hydrogen phosphate, sodium chloride, choline chloride, carotenoids (contains **soy**) (β -carotene, lutein, lycopene), sodium L-ascorbate, taurine, ferrous lactate, zinc sulphate, DL- α -tocopheryl acetate, copper gluconate, nicotinamide, manganese sulphate, calcium D-pantothenate, thiamin hydrochloride, pyridoxine hydrochloride, sodium fluoride, riboflavin, retinyl acetate, chromium chloride, pteroylmonoglutamic acid, potassium iodide, sodium selenite, phytomenadione, D-biotin, sodium molybdate, cholecalciferol.

Allergen & Cultural Information

- Contains: cow's milk protein, soy.
- Does not contain: wheat, egg, nuts*, lupins.
- Halal certified.
- No gluten containing ingredients. No detectable gluten when tested to a sensitivity level of less than 5 parts per million (<5 ppm i.e. <5mg/kg).
- Low lactose (lactose <2g/100g).
