

CALOGEN EXTRA

A ready-to-use, energy dense, long chain triglyceride fat emulsion, enriched with protein, vitamins and minerals.

FEATURES

- **Energy dense (4Kcal/ml, 160Kcal per 40ml shot):** to support patients with high energy requirements and/or fluid restriction.
- **Shot-style oral nutritional supplement:** suitable for dispensing during medication rounds.
- **Can be mixed into foods and fluids:** for patient convenience and variety.
- **Enriched with protein, vitamins and minerals.**
- **No Added Fibre:** for patients requiring residue restriction.
- **User-friendly 200ml bottle with 40ml measuring cup for dosing:** ergonomic plastic bottle, with resealable easy to open cap.

Indications

For the dietary management of:

- Disease-related malnutrition.
- Patients with high energy requirements.
- Patients requiring a fluid or volume restriction.
- Patients requiring a residue restriction.

Important Notice

- Not suitable as a sole source of nutrition.
- Not for parenteral use.
- Not suitable for patients with galactosaemia.
- Not suitable for patients with cow's milk protein allergy.
- Not suitable for infants and children under 3 years of age and must be used with caution in children aged 3-6 years.
- May require dilution for use in patients under 5 years of age.
- Must be used under medical supervision.

Directions for Use

- Shake well before use.
- Best served chilled.
- Usage to be determined by a healthcare professional.
- Use measuring cup (40ml) provided on top of bottle to aid dosing.
- **Recommended dosage:** 3 x 40ml shots or 120ml per day in divided doses, unless otherwise specified by a healthcare professional.

Storage

- Store in a cool, dry place.
- Once opened, close the bottle and store in a refrigerator for max 48 hours.
- Always replace the container lid after use.
- Wash the cup thoroughly after use.
- Discard unused contents after 48 hours.
