

MCT OIL

DESCRIPTION

An unflavoured, nutritionally incomplete oil consisting of 100% MCT oil.

INDICATIONS

For the dietary management of conditions where fat absorption or metabolism of LCT fat is impaired and a high MCT intake is indicated. MCT oil can be used in the dietary management of the MCT ketogenic diet.

Suitable for infants, children and adults.

PREPARATION AND ADMINISTRATION

MCT Oil can be mixed with liquids or used as part of a modular feed. MCT Oil should be introduced slowly into the diet as rapid absorption of large intakes may cause vomiting or diarrhoea.

ADMINISTRATION GUIDELINES

The dosage should be determined by a clinician or dietitian only and is dependent on the age, body weight and medical condition of the patient.

GENERAL PRECAUTIONS

Use under medical supervision.

Not for parenteral use.

Not suitable for use as a sole source of nutrition.

STORAGE

Store in a dry place away from direct sunlight between 4°C - 25°C. Once opened, use within one month.

Always replace the lid after use.

PACK SIZE

500ml bottle.

INGREDIENTS

MCT Oil.

A food for special medical purposes; must be used under strict medical supervision.
