

Your doctor has written you a prescription for a Nutricia product.

If you have any difficulty filling your prescription at your local pharmacy, your pharmacist can still help you source the Nutricia product you need.

Simply ask your pharmacist to contact Nutricia directly to place an order.

Either by emailing ordersau@nutricia.com or by phoning 1800 889 480.

Any further questions or concerns you have about our products or their availability can be answered by contacting our Careline Team in any one of three ways.
