

Nutricia's Paediatric Product Availability.

So that we can best support you and your patients, we have developed a dedicated website that details the latest supply status of our specialised paediatric products.

You can access this website at: www.nutricia.com.au/coronavirus

We have also detailed alternative avenues of supply if your patients have any difficulties finding their usual product in their usual store. These options include:

For Aptamil Allergy and Gastrointestinal products
online ordering is available at www.MumStore.com.au

For Neocate Allergy products
pharmacies can order directly from Nutricia by emailing:
ordersau@nutricia.com or phoning 1800 889 480

For Fortini or Souvenaid Oral Nutritional Supplements
online ordering is available at www.NutriciaStore.com.au
