

MILUPA-LP-DRINK

Description

A powdered low protein milk replacement.

Indications

For the dietary management of inherited metabolic conditions and other conditions where a low protein diet is indicated.

Preparation and administration

Can be used in cooking, baking or as a drink on its own. To prepare 200ml, measure 180ml water, add 20g powder and stir to combine. The recommended intake is dependent on the age, body weight, and medical condition of the patient.

General precautions

Use under medical supervision. Not for parenteral use. Not suitable for use as a sole source of nutrition. Not suitable for milk free or lactose free diets.

Storage

Store in a cool, dry place (out of direct sunlight). Once opened, use within one month.

Pack size

400g tin.

Ingredients

Whey (from **Milk**), Vegetable Oils (Palm, Rapeseed, Coconut, Sunflower), Demineralised Whey Powder (from **Milk**), Sugar, Calcium Carbonate, Lactose (from **Milk**), Emulsifier Citric Acid Esters of Mono-and-Diglycerides of Fatty Acids, Acidifier Citric Acid, Antioxidant Ascorbyl Palmitate.
